### **More than 1,000 participants expected at Fe for a Cure on Saturday, Sept. 20th, but there's still time to register**

(September 18, 2025) – Early Registrations for the Fe for a Cure Race/Walk on Saturday, Sept. 20, have surpassed 1,000 participants – shattering previous records for attendance! However, there's still time to support the cause, which directs 100% of entry fees and donations to assist patients undergoing treatment at the Tammy Walker Cancer Center.

You can still register online at [feforacure.com](https://feforacure.com); in person at Early Packet Pickup from 7 a.m. to 6 p.m., Friday Sept. 19, at the Tammy Walker Cancer Center; and on Race Day at the Cancer Center beginning at 6 a.m.

Registration is \$25 for ages 12 and older and \$10 for ages 11 and younger.

Entry fees and donations support patient programs and services including: Masonic Cancer Alliance annual membership, which allows local patients access to clinical trials and other services available through the University of Kansas Cancer Center; Patient Meal Program; Appearance Center; Rebecca A. Morrison House patient accommodations; Transportation assistance; and a variety of other programs and services aimed at supporting cancer patients and families.

Festivities on Race Day start at 7:15 a.m. recognizing all cancer survivors in attendance. The event's USATF-certified 5K, which starts and finishes on Santa Fe Avenue in front of the Cancer Center, starts at 8 a.m. The course takes runners through Salina's historic downtown corridor and winds back through two of Salina's iconic parks along the Smoky Hill River Channel. The 1-mile fun run will commence from the same start/finish line at 8:10 a.m.

The event is one of the region's most fun, family friendly and affordable running/walking events.
